SUNDAY SCHOOL AND SON CITY

Sunday School will now be an hour long, meeting 9:30-10:30am and we're still going to need volunteers!

An exciting change in Son City is every other week we will head out of the classroom to some close by locations to see what we can learn about God on a pig farm (Prodigal Son), at the local fishing hole (fishers of men), or at the road salt storage facility (don't lose your saltiness). The alternating weeks we will be staying on site and taking part in lessons that complement and reaffirm what we are learning off-site. It's going to be different but the kids are going to have fun!

CREW and Inside Out will also be kicking off their Fall schedule on Sept 9; CREW at 3:30pm, Inside Out at 6:30pm. These times remain the same from previous years as we look forward to reconnecting with the youth and exploring faith, God, and discipleship while having lots of fun.

Questions? See Jared or any member of the Christian Education team (Jacob Thorius, Krista Gaal, April Cuddeback, Kori Rich, Heather Anderson, and Brad Alderton).
